UIET Kurukshetra

University Institute of Engineering & Technology (UIET) was established in 2004 under Kurukshetra University, carrying forward a legacy that began in 1956. What started as a modest department with a handful of students and borrowed classrooms has grown into one of North India's most sought-after engineering institutes not because of grandeur, but because of the grit of its people.

ABOUT US

A relentless student community, an alumni network that pulls back to lift forward, an administration that empowers before it governs, and a supporting staff that shows up with action have contributed to its pre-eminent status promoting ingenious visionaries, encouraging budding entrepreneurs, and sowing the seeds of innovation in its students.

ABOUT VICE CHANCELLOR

Prof. Som Nath Sachdeva has been serving as the Vice-Chancellor of Kurukshetra University, Kurukshetra since November 2020. Under his visionary leadership, the University achieved the prestigious NAAC A++ accreditation, becoming the first and only state university in Haryana to earn this distinction. He also led the successful implementation of NEP 2020, introduced 23 new academic programmes, filed 60+ patents, and strengthened the University's innovation ecosystem through incubation centres and startup initiatives.

PROF. SOM NATH SACHDEVA

A distinguished academician and highway engineering expert, Prof. Sachdeva has over 37 years of experience in teaching, research, consultancy, and academic administration. He has supervised 75+ M.Tech. and Ph.D. scholars, published 100+ research papers, authored books, and contributed significantly to infrastructure development and road safety projects across India. His dedication to excellence in education, research, innovation, and social impact continues to inspire students, entrepreneurs, and the academic community.

ABOUT DIRECTOR

Prof. Sunil Dhingra is the Director of the University Institute of Engineering & Technology (UIET), Kurukshetra University and Dean, Faculty of Engineering & Technology. A distinguished academician with over 33 years of teaching, research, and academic administration experience, he specializes in Semiconductor Electronics and Instrumentation

PROF. SUNIL DHINGRA

Under his leadership, UIET continues to strengthen its commitment to quality technical education, innovation, entrepreneurship, and industry collaboration. He has held several key administrative positions, including Director, IT Cell, Chief Vigilance Officer, Dean, Faculty of Engineering & Technology, and Chairman, Department of Instrumentation Engineering at Kurukshetra University. He has guided research scholars, published numerous research papers and patents, coordinated major projects such as TEQIP, and has been instrumental in advancing engineering education and student development at the University. Guided by the vision of "Mind to Market," Prof. Dhingra continues to inspire students to excel in academics, research, innovation, and entrepreneurship while fostering strong industry-academia partnerships

About E-Summit

E-Summit UIET is the annual flagship event where students pitch to investors, navigate virtual markets, and stress-test business plans against real scrutiny. Behind it stands E-Cell: a community forged in hostel rooms where side projects became prototypes, and prototypes became pitches. We are not a committee with a room. We are builders who ensure ideas do not die in notebooks. E-Summit is our largest stage where founders, investors, and students ready to build instead of listen, converge. We do not chase scale. We chase utility for the student with an idea at 2 AM and nowhere to take it.

IMAGINE. CREATE. EVOLVE.

At E-Summit, we believe progress begins with imagination and grows through creation. Every bold thought, every fresh perspective, and every driven mind has the potential to shape what comes next. Whether you are exploring your first idea, building something meaningful, or redefining your path, this is your space to experiment, express, and expand

Join us to imagine possibilities, create with purpose, and evolve into the change you want to see. Because the future belongs to those who dare to build.

BY THE NUMBERS

Expected Audience

Students are invited from All over kurukshetra and nearby areas.

500K+

ESTIMATED DIGITAL REACH

COLLEGES INVITED

Around 50 students from each college

Venues

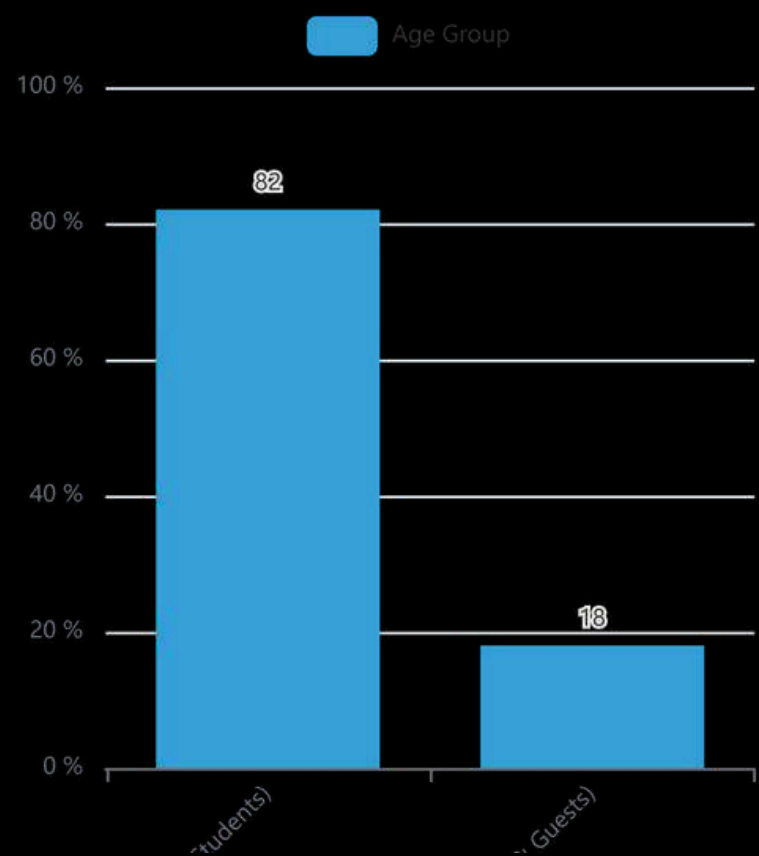

MV Sadan, UIET Building and Community centre.

Expected Age Group

Majority : 18–24 years

Approximately 80–85%
Remaining Audience 30–50 years

Stackholders: Students, Faculty, Startup, founders, Investors, Sponsors and Other Guests.

Audience Location

Expected participants from:

Kurukshetra (around 50%)

Karnal

Chandigarh

Delhi

Sonipat

Panchkula

Hisar

Madhya Pradesh

Mumbai (Bombay)

Also includes:

Hackathon teams

Guest speakers

Startup founders

**Although hosted in Kurukshetra, participants are
expected from nearby cities and a few distant
locations.**

Main Events

- **Speaker Sessions (400+ Attendees Approx.)**

Industry experts, founders, and investors share their experiences.

- **Workshops - Mastering The Term Sheet (400+ Attendees Approx.)**

Hands-on learning sessions on startups, AI, business, marketing, finance, etc.

- **Networking Arena (500+ Attendees Approx.)**

A place where students meet investors, founders, recruiters, and professionals.

- **36 Hr Hackathon (300+ Attendees Approx.)**

A coding/problem-solving competition where teams build innovative solutions.

Banner Placements

- 2nd and 3rd Gate Of KUK (Main Banner)
- On UIET Main Gate & MV Sadan (Main Banner)
- Whole Campus Area, All Departments Of KUK, University Market (Event Posters)
- All Sub Venues Of Events (Event Posters)

Sponsor Stall Area

Regular Stall Size

10 ft × 10 ft (Approximately)

Car Showcase Options

Option 1

- **Single Car Display**

Suitable for one vehicle.

Option 2

Brand Zone

Includes:

- 2–3 cars
- Branding walls
- Small announcement stage

Option 3

Full Car Showcase

Includes:

- 4–6 cars
- Test-drive registration desk
- DJ/Music
- Photo booth

Area depends on sponsor requirements.

VIP Guests & Speakers

VIP Guests:

- Haryana Education Minister.
- Possibility of Haryana Chief Minister (not confirmed)

Our Speaker

Founder, 15FORTEEN | Speaker | Mentor

Tushika Rawat is the Founder of 15FORTEEN, a passionate mentor, speaker, and content creator dedicated to empowering students with career guidance, technology, and entrepreneurship. She has mentored aspiring innovators, spoken at various events, and actively contributes to building student communities through skill development and startup awareness. At E-Summit 2026, she will share her journey and inspire students to embrace innovation, leadership, and entrepreneurial thinking.

Tushika Rawat

Our Workshop Speaker

Chartered Accountant | Financial Consultant

CA Vinay Haritwal is a Chartered Accountant specializing in taxation, financial consulting, budgeting, corporate law, and business advisory. Passionate about empowering entrepreneurs and young professionals, he shares practical insights on startup finance, financial planning, and business growth. At E-Summit 2026, he will inspire aspiring entrepreneurs with strategies for building financially strong and sustainable ventures.

CA Vinay Haritwal

Our Speaker

Head of People Operations, KRAFTON India

Saurabh Shah is the Head of People Operations at KRAFTON India, with over 15 years of experience in HR, talent acquisition, organizational development, employee engagement, and culture building. Having worked with leading organizations across the technology and gaming industries, he brings deep expertise in building high-performing teams and fostering innovation. At E-Summit 2026, he will share valuable insights on leadership, career growth, workplace culture, and building successful organizations.

Saurabh Shah

Invited Colleges List

- CGC College of Engineering, Landran
- Chitkara University
- DCRUST, Murthal
- Devrishi Yaduvanshi College of Engineering
- Doaba College, Jalandhar
- Global Institute of Technology and Management (GITM)
- IIIT Una
- Indore Institute of Science and Technology (IIST)
- JC Bose University of Science and Technology, YMCA, Faridabad
- JMIT, Radaur (Seth Jai Parkash Mukand Lal Institute of Engineering & Technology)
- Jind Institute of Engineering and Technology (JIET)
- Geeta Institute of Management & Technology (GIMT), Kurukshetra
- Dyal Singh College, Karnal
- Guru Nanak Khalsa College, Karnal

**Madhav Institute of Technology and Science (MITS),
Gwalior**

**Maharishi Markandeshwar Deemed to be University,
Mullana**

NRI Institute of Technology

**State Institute of Engineering and Technology (SIET),
Panchkula**

Dronacharya Degree College, Kurukshetra

**IJET (Indraprastha Institute of Engineering &
Technology), Kurukshetra**

NIT Kurukshetra

**SKIET (Shri Krishan Institute of Engineering &
Technology), Kurukshetra**

**Doon Valley Institute of Engineering & Technology,
Karnal**

**RPIIT (R.P. Inderaprastha Institute of Technology),
Karnal**

**PIET (Panipat Institute of Engineering & Technology),
Panipat**
